

REFURBISHED TOSHIBA COPIERS

Why should Office Peeps be your only source for a used copier?

- ✓ We only sell used equipment that has always been serviced by Office Peeps technicians.
- ✓ Our equipment goes through an inspection and is refurbished by our service team.
- ✓ Refurbished copiers from Office Peeps have only had one local owner.
- ✓ You can be confident that the largest service team in our area is here to back you up when you need it.
- ✓ Our service team makes our own upgrades to increase reliability of your equipment. We actually do this with new equipment as well, fixing potential issues before you ever have them.
- ✓ You can have all the confidence that you purchased a refurbished copier from Office Peeps for half the price of new.
