# 65 YEARS of OFFICE PEEPS

We have a long history of serving businesses, schools, and organizations in South Dakota and beyond.

Cook's Office Machines opens April 1, 1959 in Watertown, SD, selling and servicing Olivetti calculators. Remember those? Probably not.

**1959**

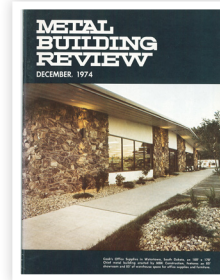

**1960s**

Cook's is the top Olivetti calculator retailer in the U.S.

Cook's now employs 15 people and becomes Cook's Office Products, Inc.

**1970s**

**1981**

A group of salespeople leave Cook's to form Office Systems, Inc (OSI). The company grows quickly, becoming a complete office solutions provider.

The owners of OSI purchase Cook's, bringing the companies back together and creating a reserve of knowledge, expertise and purchasing power.

**2004**

**2009**

OSI changes its name to Office Peeps. The name highlights what's unique and special about the company - its people.

Office Peeps purchases Office Necessities with its location in Huron - an exciting opportunity to add great people to the organization and grow in a nice community.

**2010**

**2018**

Central Business Supply located in Brookings & Madison, SD joins the Office Peeps family. This addition allowed us to expand with two new store locations and several fantastic associates.
